Finishing

Glasses:

Pin all the parts for the glasses together and sew them.

Eyes:

Cut out all the parts for the eyes from felt and glue or sew them.

Bow tie:

Fold the large part of the bow tie and sew it together in the back, then put the middle part around and sew it.

Sew the bow tie on the neck.

Pin the muzzle on the head and sew it.

Pin the nose onto the muzzle and sew it.

Pin the ears and sew them.

Stuff the front hairpiece and sew along the bottom like it is shown in the picture.

Attach this piece on the forehead and sew it.

Cut out from each color 2 small pieces of Velcro fastener. Sew the white parts on the ear and the black parts on the eyeglass frame. To find the correct position for them, put the glasses on Mr. Peabody and look where they have to be attached.

Cut out the eyebrows from black felt and pin them, also put the eyes on the head. Place the glasses to check the correct position. Then sew eyes and eyebrows on the head.

Attach the tail and sew it.

Make 3 small chains (with each 5 stitches) on the back of the head. Take two threads to make it a little bit bigger.

Yippee! You're done! Have fun with Mr. Peabody!
